TOP RALLY DOG

- **AWARD MUST BE APPLIED FOR.**
- Based on the qualifying period January 1 – December 31.
- The Award Applicant **MUST** be a current YTCA member in good standing and must have been a YTCA member for the entire year for which the award is given.
- The Award Applicant **MUST** be an owner of the dog for the entire year for which the award is given.
- If dogs are co-owned, each individual must apply separately.
- Copy of AKC Registration Certificate must be provided with application.
- Copy of Rally title certificate must be provided with application.
- Provide listing of all shows with all dates, scores and placements.

The calculations to determine Top Rally Dog are as follows:

Scores count at any level of competition Novice, Advance, and Excellent. However, the scores are NOT what are counted, they are converted into points and the points earned for the scores and class placements are what is counted to determine the Top Rally dog. For each qualifying score received at any level, you receive a specified number of points, PLUS any bonus points added for PLACEMENTS in the class, as placements are where your times are considered on the day. If two in the class both are given scores of 98, the faster dog places higher in the class; so those are bonus points earned for the placement and are added to your points earned for the score for that trial. A tie is very unlikely but if it should occur, the dog with the greatest number of class placements in the trials would be the winner for the year.

Examples:

- If your dog scores 100, you will earn 8 points. If you place 1st, you will add 4 points for a total of 12 points.
- If your dog score 93, you will earn 5 points. If you place 3rd, you will add 2 points for a total of 7 points.
- Highest overall points earned determine Top Rally Dog
- The score/point conversion scale is as follows:

SCORE	POINTS
100	9
98-99	7
95-97	6
90-94	5
85-89	4
80-84	3
75-79	2
70-74	1

PLACEMENT	BONUS POINTS
1 st	4
2 nd	3
3 rd	2
4 th	1

VERSATILITY AWARD

Yorkshire Terriers are active and versatile dogs. They were bred to have the skills and drive to excel in the field, and are happiest when working closely with their owners. Modern day yorkies and their owners use these skills to compete in the many dog sports available today. To recognize and preserve these traits and to encourage owners to enjoy them, the YTCA offers the Versatility Awards, which reward participation in a variety of dog activities. The Versatility Award is designed so that the average Yorkie and owner, with some effort, can earn one. It asks for one title in three different fields, and a total of seven points. As a conformation title is not required, these awards are open to the pet as well as to the champion. Earning the Versatility Award demonstrates that the Yorkie and owner have put in a concentrated amount of time and effort in training as well as showing and trialing.
